

Capability Statement

8(a) Certified

CEDARVILLE Engineering Group, LLC (CEG) is a civil and environmental engineering technology and construction management company. We manage the lifecycle of infrastructure from planning through design, permitting, inspection, operations, and maintenance. Our professionals bring value through innovation to government contracting, municipal services, environmental services, asset management, Geographic Information Systems (GIS), and 3D modeling.

Economically Disadvantaged Woman-Owned Small Business (EDWOSB)
